Part B: Statement

I, Bineesh Thomas, provide the following statement voluntarily.

On the evening of 13 November 2024, I was on the late kitchen shift and completed my duties at approximately 23:00 hrs. Before leaving, I assisted in storing the prepared mandi chickens in the trays inside the cold area near the rear kitchen. I personally checked that the rear door was closed before I left. The door was functioning normally and I did not observe any damage to it at that time.

At approximately 01:15 hrs, while I was waiting for my transport near the front of the building, I noticed a light-coloured van parked in the side alley, which was unusual as that area is not a parking zone. I did not see anyone in the van at that moment and assumed it belonged to a nearby delivery. I did not report this as I did not find it suspicious at the time.

I did not see any individuals near the rear entrance after 23:00 hrs. I confirm that I did not enter the premises again after departing.

This statement is true to the best of my knowledge.
