Part B: Statement

I, Mohammed Ashraf K., of my own free will provide the following statement regarding the incident that occurred at Al Reem Restaurant on the night of 13 to 14 November 2024.

On the evening of 13 November 2024, I left the restaurant at approximately 22:30 hrs after supervising the closing shift. At that time, the kitchen had been cleaned and twelve whole mandi chickens had been prepared and stored in four large aluminium trays, ready for the following day's lunch service. The rear kitchen door was locked and the alarm system was activated as per our standard closing procedure. The front entrance was also locked. There were no unusual persons or vehicles observed in the area when I departed.

On 14 November 2024, I arrived at the restaurant at approximately 06:00 hrs. I noticed immediately that the rear kitchen door was slightly open. On entering, I found that all four trays of prepared mandi chicken were missing. The kitchen was otherwise undisturbed; no cash, equipment, or other food items appeared to have been taken. I did not touch anything and immediately called the police.

I am not aware of any disputes involving the restaurant or any individual who might have reason to steal from us. The prepared chickens would have a street value of approximately INR 96 based on our standard pricing.

I confirm that this statement is true to the best of my knowledge and belief.
